Maybe
tourists--

into her!

Or some
guy made
a move
on her?!

It's

out
who
it was.

I'll give
him a
beating
he won't
forget!
No one
bothers
our little
Hikaru.

YES

A person
must make
up his
own mind

Stick
with
your
decision

Yes!!

Masaru
watch it!

NO

I'm
worried,
too.

Thanks
Masaru

UWAHAAA

I'm worried
about
Hikaru!!

Kakeru

Thank
you...

...guys!!

Dad and Mom
are worried
about you.

I'm
sorry.

It's OK.
You try so
hard to
make sure
Mom and
Dad ...

don't
worry that
I know it's
something
serious.

For ...

—do you
have
someone
to talk to?

It's hard
not having
someone
who
understands.

If you
are not
alone...

If you have
someone to
talk to...
Someone to
give you
good advice...

...then
it's OK.

You're
right.

Does Mother
know you're
meeting your
friends?

Yes.

I'm
going
meet them
today at
Tokyo
Tower.

Tokyo
Tower?

The views of
Tokyo Tower
are great.

I'll buy
some for
you!

Tokyo

... such a
memorable
place for us

The world
we were
summoned
to...

The
colossal
temple
the floating
continent

The world
supported
by Princess
Emerald's...

the
Pillar

the Battle

Francia
Invincible

The Pillar
of Capitan

She held
Capitan's power
using only
her will

I don't
know why
Zayto
caused that
battle...

Or why
Princess
Emeraude
did what
she did

I don't
either

In the
beginning,
I just
wanted
to get
home

Then I
learned
magic...

...and
acquired
weapons

We thought
we were
helping
Princess
Emeraude

and
everyone
in Capleo

The world
seemed like
an RPG, but
it was real

Things
weren't just
"good" or
"evil" like
in a game

It was a
terrible
battle

We
followed
our
hearts...

... and that
caused
tragedy

Now,
I can't
play RPGs.

It
looks
like—

—the enemy
in the
game is
my enemy

I'm the
hero in
the game,

but the
enemy
was and
is a
villain

I want
to go
to Cephiro.

Nothing
changes
there.

I want
to go to
Cephire
again.

I want to help
the country
that Princess
Emeraude
treasured
so much.

We'll fall
into the

The
ground
looks like
water!

BOOM!

That's
not the
sound

Whatever
it is,
we're
going to
hunt!

POW!

Fyula?

WOP

WOP

You're
Fyula,
aren't
you!

Fyake!
You saved
us!

There
are
are...

...in
Cephirot

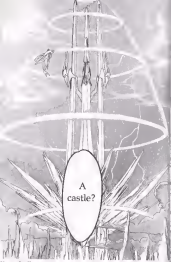

What?

Where's
the sea?
The floating
mountain?
The volcano?

Where
are you
taking us?

A
castle?

Presca!!

Guru
Clif
told
me

I'm a Phoria.
I know the
Legend of
the Mage
Knights.

but I didn't
know the
terrible
secret.

I'm
sorry

The weapons
I created
caused you
much grief.

Well,
let's get going.
The Gauru and
the Prince
are waiting.

I know
the Gauru,
but...

the
Prince?

Gauru Prince
I have brought
Hikaru, Umi
and Fua.

Oh...

Came
from
another
world

I led you
to the
terrible
battle

I am sorry.

No

You know
Princess Eriqasade
better than
we did

Ferio?

The Magic
Knights gave
my older sister
her wish

Older
sister?

Then the
prince

Princess
Emeraude
was my
only sister

is good?

I met the prince,
but I spent
most of my
time looking

I was almost
never here
in the castle

That's how
you know
the legend
of the Magic
Knights

Only those
close to
Princess
Emeraude
knew that

I should
have told

The title
of Prince
is a burden

I wasn't
going
to tell
anyone

Then I—

Your
sister

Just before
the Pillar
disappeared,
I heard my
sister's
voice

She was happy
to be able
to pray for
the man she
loved as a lover,
instead of as Pillar.
If only in her
last moment

I also
heard
that
voice

She said
to tell the
Magic
Knights

'I'm sorry'
and
'Thank you'

Thank—
you .

What happened to Cepham?

It looks completely different

We have lost the Pillar...

She kept this world stable with her will.

Cepham has become a land of confusion

Cepham enabled when the Princess...

passed away

Those of us with strong will power...

...created this castle for the people of Cepham.

Then this castle is made...

...from will power?

However,
it will not
last long.

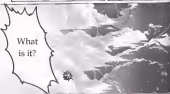

If we don't
find a new
Pillar as soon
as possible,
Cephro will
disappear.

Armies from
other lands
are coming
close.

Other
lands?

There.

What
is it?

What is
that?!

Those
are the
Countries
beyond
Cephre

Antarctica

China

And Fabron

There
are other
countries

Once,
the sky
was closed,
and there
was only
thunder
and
darkness
beyond
the
horizon

We didn't
get a
chance
to look
around.

Princess
Emeraude
was the Pillar.
She protected
Cephelo from
attack.

Anybody
who attacked
Cephelo was
repelled by
an invisible
wall.

Her

will power
was
incredible.

She kept
the peace
and protected
Capitro from
the outside

After
her death,
the roads to
other countries
opened.

It looks
like a
band
of light

These
are the
roads.

With them,
outsiders
can enter
Caphto
freely.

Wait! Are
the roads
permanent?

They
disappear
when
the one

Why
do they
come?

Why
attack...

...who
created
the road
erases it

...a
decaying
land?

They seek
the Pillar
of Cepharo
itself.

People
outside
Cepharo
can become
the Pillar

What?

If one
of those
attacking
becomes
the Pillar...

The only
requirement
is that one
must have
the strongest
heart in the
world.

Caphra
is created
by the will
of the Pillar.

There
would be
no need
to fight.

Caphra
would
belong
to the
Pillar.

If they can
create roads to
Cephro, then
perhaps one
might be...

2. strong
enough
to become
the Pillar

The new
Pillar
must lead
Cephro
back to
peace

and
protect
Cephro
from
invaders.

The
Pillar

Hmmm...
Uma...
Fun.

Captaro
has no
Pillar.

But only
the Pillar can
summon people
using the
Summoning
Spell.

I do not
know who
summoned
you.

Captaro
is about to
turn into a
bottlefield.

You fought
hard battles as
Mage Knights
and granted
the Financier's
wish.

There is no
need for you,
people from
another world,
to become
involved in
Captaro's
war.

Clef

I have no
idea who
summoned
you.

But someone in
Ceptus has a heart
strong enough to
summon from other
worlds.

We will
find the
new
Pillar

That's
all I can
do for this
country which
Princess
Emeraude

gave
her life
for

I will find
the person
who
summoned
you.

Stay
here in
this castle
with the
others.

I will
fight
with
you!

Hikaru!

I will fight
with you
for Cephire.

You have
nothing
to do
with this
battle!

You don't
know who
summoned you!
You don't even
know why you
are here now!

There is
no reason
for you
to fight!

There
is
a
reason.

It's
in...

...my
Heart.

I feel that
I should be
fighting with
you, Cief

Everyone
fights
for their
desires

I figured
that out,
painfully.

There
are many
reasons
to fight.

Just
there

I learned.

During the
Battle,
Princess
Eriq made

tried to tell
us with
the pain of
her heart that
cared
about
Zephyro.

The part
that was
saddened
by his
death.

But,
she still tried
to save Cephro
with what as
remained of her Pillar
heart.

Princess
Emeraude

cared
about this
country.

That's why
I think she
was so
worried.

Princess
Emeraude
protected
Capitao
with her
kind heart.

Clé
taught me
that it was
a beautiful
and peaceful
country.

But...

I have
not
seen

... what
Cephuro
really
looks like

We
three

We
matured
a little bit
in the
last battle

Not only
our
fighting
skills,
but also

our
hearts

Before, we
only sought
to return
to Tokyo,
but it's
different
now.

Please
let us help
you save
Cephuro.

Hikaru

Um

Fuu

But...

I will
have to

find who

brought
us
here...

Who?

Weapons,
so we
can fight
to save
Cephirel

These
garrets

are...

...ours?

GOING
CLOCKING

Yes.

These
are the
weapons
of the
Magic
Knights.

Only
you can
use
them.

Accept!

ROAD

LEAVE

SHINE

Something's
wrong.
Cue

This is
like the
armor we
had at the
beginning

I thought
our guards
had evolved
past this.

I have
given
you
new
guards

These are
guards for
warriors
who have
already
become
Magic Knights

Magic
Knights?!

These
guards
will react
to your
hearts

They
won't
evolve
like
before

They change
shape when
necessary

React
to our
hearts?!

You can
use
Magic

You
can use
the spells
you learned
earlier

And as
your hearts
mature, you
will be able
to cast new
spells

Magical
Kingdom

We want
to fight
for
Cephirol!!!

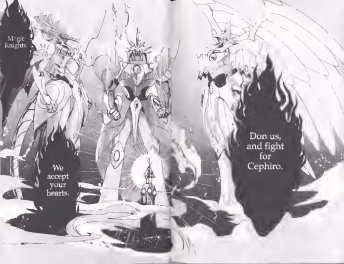

I understood
what it
means
this time

I have
decided
for
myself

We
have
enough

to
protect
Cephia...

for
many
ages

Magic
Knights

We
accept
your
hearts.

Don us,
and fight
for
Cephire.

We're
right
above
the
castle!

You were
just in a
different
dimension.
When
was I sleep...

It is part
of Caphia,
but somewhere
that
is not
Caphia.

A
different
dimension.

When
did we
get here?

We are in
the other
dimension.

Anytime
you need us,
call out
our names.

We will
appear
before you.

Always.

Alright

What about?

It looks like one of the roads from another country.

It was there when Clef showed us the map of Caprica.

These animals come from here.

It looks like a desert, but it's real.

Yeah, we might die for real this time.

I don't know
what will
happen to
us in Tokyo
if we die
in Cephra

We won't
go back
unharméd.

Yet .

...I will
fight.

We are Magic
Knights
I'm not sure

Caldina,
you're

Last time
I saw you,
you were

And
you

You
were
gone

I have to

horseback

fired a laser
beam from
his sword

He had
black
armor.

and had
a girl with
wings with
her.

Do
you
know
that?

UM

Is
that
proof?

What?
What
are you
looking
at?

I'm

the

Lorina?

Why
does
he
look
so
familiar?

There's
something
about his
eyes.

Thank
you for
saving
us.

So, you
are the
Legend-
ary
Magic
Knights

I know
that
voice.

Lancelot
What are you
doing here?

I see
I'm not
welcome
here

At all.

It
should
be
familiar

That
voice...

I've
heard
it
before

Lantis
is the
younger
brother
of Sol
Zagato

Zagato's
brother?!

I was
surprised
at first,
too.

His voice
sounds
so much
like
Zagato!

Zagato said it
wasn't his brother!

But...

Yes.

...we didn't
see him once
when we were
summoned
the first
time.

Zagato's
brother
Larrie left
this country
long before
you were
summoned
here.

He left
Captaro.

Why?

I don't
know
the
reason.

By the time
I came to work,
Princess
Firemade-
Larrie had
already
disappeared
from Captaro.

I
never
heard
Zagato
speak of
a brother.

His
father.

And
then...

...as soon as the
Pillar died,
he
returned

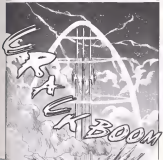

Returned?
From
where?

From
Autozam.

Autozam?!

I've
wanted to
apologize
to you
for a long
time

Apologize?

When
I first
came to
Caphto, I didn't
realize how
important
this country
was to you.

I
wouldn't
listen
to you
seriously —

I
was
really
lucky.

At first,
I just
kept
thinking... why
not...

I'm sorry.

I didn't realize.

What a painful battle it was.

You are making a mistake.

Anyone would not like that if they were called from a different world.

and not brought up in a battle they had no part in.

There is no reason for you to apologize.

I am
the one
who must
apologize

That's
not
true!

Not only
did I keep
the truth

behind
the Legend
of the Mage
Knights
from you,
but I did
nothing
to help

If we didn't
have all
your help,
our hearts
would never
have been
able to
grow and
mature!

And you
gave us
Solmons,
who did
so much
for us!

Young lady from another world

Legendary Magic Knight

who saved our Caphtor

I am glad that I could see you

To thank you for what you have done

This time, you must thank first to protect yourselves

The magic that I gave you, and the weapons that I made for you

you must use for your safety

I'll make that path for you

You should stand tall and have a good rest

Thank
you...

Clef.

Did you know
a little
demon?

I just
couldn't

My sister
gave me
these.

I can't
accept
anything
that
important
from you!

She
told me
when she
gave me
these rings.

"If ever
you find
a special
person."

"...
give
me
to
them."

My
sister
knew all
along,
that she
would
never be
together

with her
beloved
while
in
Capti-
ve.

That's
why—

...she
gave
me
these.

Thinking
at least
I could.

Don't
cry

I don't
want
to hurt
your
feelings

I can
never
remember
my sister
smiling
whole-
heartedly

She would
smile gently,
but her
eyes were
always sad

No,
could
you
smile
for
me?

to always

If a new
Pillar
is born...

A
Pillar
may not
take
their
own life...

And
no one in
Cephia
can harm
the Pillar

That's why
the Pillar
alone has
the special
power of
immortality...

A power to bring Knights
from a world other than Cephia...
In order to kill themselves...

Please...
Kill me

...and
save
Cephia

Will that

happen
again?

No,
I

you
killing
me

Just...

Please

Fuu!

I know
it's selfish

I know

I know
they could
when they
were

So...

If you
have
to let
someone

Umi

waited
themselves
after we
returned
to Tokyo!

I was feeling
depressed,
so they tried
to cheer
me up.
But...

I
don't

to hit
you

You, Magic Knight, were summoned from another world!

I have no reason to blame you.

But I...

You, too...

cried when you were alone, didn't you?

**STOP

I've

my
one

Luffy
belongs

He saved
me when
I was
trapped as

began

My

your mind
focused, and
the road will
disappear.

GASP

Wow,
don't want
that...

That's right!
We are
unvincible!

We are
absolutely
positively,

going
to become
Cephuro's
Pillar!

And...

by becoming
Cephuro's Pillar,
we will become
Cephuro's
princesses

Cephuro's
last
princess...

had golden
hair and
beautiful
blue eyes.

They say she
was a darling
princess

If we become
prisoners,
we can do
anything, we
want in this
country

heh
heh
heh
heh

Therefore

— Asuka
of
Fahren...

, will
become
the new
Pillar
of
Cephant!

So that
is the
country
of magic,
Captain?

Is that
captain?

My
son is a
captain!

That's
probably
an oval
on our
country

We must
get to
Caplano as
soon as
possible!

That's
right.
After all,
we made
a road
with our
combined
power

That's
right

Our
Chakra
is just so
small and
cramped

That's
right

We have
to travel
the
road to
Caplano

—
and
become
the Pillar
to expand
our
territory

He said he
 down it blame on
 Mayor Knight
 for killing
 his sister's mother,
 Zepher

PERO-PPER

But ...
 ...what is
 it that
 he does
 blame?

You,
too.

...cried
when you
were alone,
didn't
you...

What's wrong?
Do you
feel okay?

You're
a little
scared.

I can't
hold
delusions
with my
magic.

Please
take
care.

I'm
okay.

It's
nothing.

I can't
trust
your
"I'm
okay's,"
Hikaru.

You're
always
so reckless,
and you never
complain
when you're
hurt or
tired.

You're
always
worrying
about
everyone
else.

So, there's
nothing as
important
as one
of your
'I'm okay's',
Hikaru.

Hikaru.

We've come
to Cephano
to fight
together
again.

We go to
different
schools
and live in
different
areas.

But, what
happened in
Cephano is
a special memory
that only
we share
there.

Hikaru,
I think of
you and
Uma as
my friends.

My
most
important
friends

My
cousin
told me
once...

It's hard
when you
have no one
who
understands
your
suffering.

But... if
you're
not
alone.

if you
can share
your worries,
and work
together
to find a
way out...
then
you'll
be
alright.

I think
there will
be a lot
happening
soon.

But like
you said,
Hikaru...

we'll be
our best
together.

The
three
of us
together.

Of
course,
Mokona
is a
friend, too.
You went
all the
way with us.

SMUGG
SMUGG

Thank
you...

...Fuu.
Uma.

Don't
Pretend!
Makoto!
Are you

UNDEVELOPABLE

What
about
you,
Hiroshi?

FLASH

Cepturo

...is
falling
apart!

Cliff
Are
you
alright?

Are
you
okay?

Is
anyone
hurt?

We're alright,
Hikaru.
Lime,
Poa

Chief,
what was
that
treasure?

Cephane
has
started
breaking
apart
again

And
very
quickly,
at that

There
we
have...

...no
treasure

Right

If a new
Pillar is
not born,
Cephia
will
disappear

A
Pillar

How
do you
decide on
a rare
Pillar?

You need
believe that the
person with
the strongest
heart becomes
the Pillar.

But
how
do you
choose?

As
Magic
Knights

... you
have a
right to
know

To
become
the Pillar
of Cephiro,
and one
must search
for the
Road

The
Road
?

The one
who
would
become
Cephire's
Pillar...

... must
pass down
the Road
to the
Pillar
and pass
a certain
test.

A test?

What kind of test?

I don't know

The Road to the Pillar is only open to those who have the ability to become the Pillar.

Even if they find the Road, if they don't pass the test, they won't become Cepheus's Pillar.

So, Gars is wanted that someone from another country

...may have the ability to become the Pillar.

The only person who
knew the
Road to
the Pillar

was the
previous
Pillar,
Prince
Sovereign

We have
tried to
find the
Road,
but...

But where
is what's-left-
of-Cephia
could the
Road to
the Pillar
be?

You
haven't
been
able to
find it

CLAY

Before
these
roads
land in
Cephro

If we
don't
welcome
the new
Polar...

Are
we
land the
Road
to the
Polar

Cephro
will be
lost
forever.

Cephro
will be
lost

Then what
would the
people of this
country do?

But...

...if
a new
Pillar
is
born...

then

Melkon's
worried,
too...

Young woman from another world

Calor

A new country is encroaching on Caphtor.

What
can you
do?

The
Sprits
told
us!

Another
country
is heading
toward
Capturo

What?

We're
leaving
now!

It's too
dangerous
for just
you three!

We
need to
make
sure.

Make
sure?

We need
to find out
what they're
thinking.

We don't
want to fight
without
knowing what
the enemy
really wants

I'm
so
sorry

The
last
light
from
your
swords

so very
deeply

Cephia

It was
such a
peaceful
and
beautiful
country

But
as
soon
as
the
Pillar
is
gone—

it will turn
ugly

This is
the warmest
spot in
the castle

So
you're up
there
again,
Luna

How
can the
only
Cid in
Capra's...

The
Captain of
Princess
Eriq's
Private
Guard,
do nothing
but sleep!

Even as Cid,
as long as
Princess
Eriq's
supporting
Capra's
as Pillar...

There
are no
battles
to fight.

The monster
here
begins
after dark.

What's
wrong,
Capra?

Is
there
some-
thing
on your
mind?

Lantis

What
do you
think
of the
Pillar?

The Pillar
must take on
all
responsibility
for this
world

He
was who
became
the Pillar
has a
stronger
heart than
anyone
else.

So the
Pillar
becomes
the
creator
of Capheo

What
do you
think
of this
system?

But is
that
heart
truly
free?

The
tragedy

must
never be
repeated

I
will
end

The
Legend
of the
Magic
Knights
